THE FAMILY MOOD: THE RELATIONSHIP OF THE HEART

Family Mood: The Relationship of the Heart follows the eye-opening journey of Tommy Fife, a person who doesn’t know what to do or say about the feelings of the person sitting next to him, a stranger who has lost her dog. Emotions are brought to comic life on The Family Mood, a game show where the five contestants, members of the Chambers family, guess each other’s emotions, leading Tommy on a journey toward deeper understanding of his own family as well as everybody else around him — whether glad, mad, sad or scared!
